# *PRINCIPAL'S MESSAGE*

*I would like to congratulate the yearbook staff on producing another fine Aurea Vincula.*

*This yearbook is a memento you will cherish for years ahead. It represents a record of your years at school. As usual, this has been a busy year with success at curricular and extra curricular activities.*

*The friendships you have made this year at school are something you will cherish the rest of your life.*

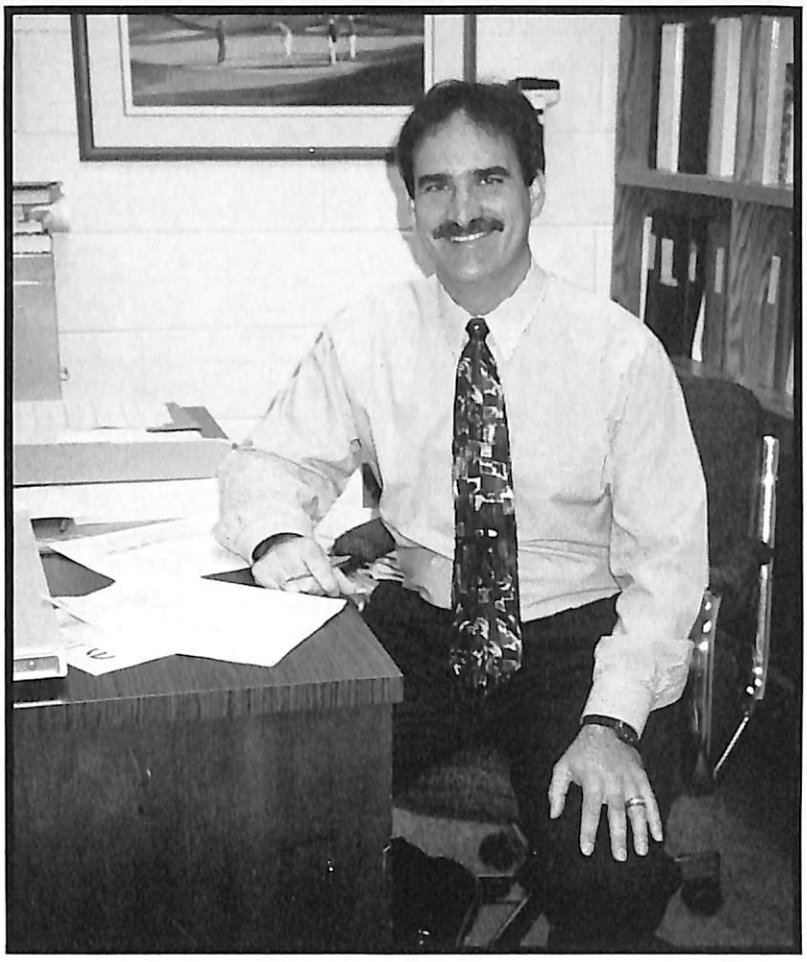

*To those graduating this year, good luck in your future from all the staff.*

*Mr. R. Purves*

*Education is not the filling of a pail, but the lighting of a fire.*

*William Butler Yeats*

# *VICE PRINCIPAL'S MESSAGE*

*Congratulations and thank-you to all the yearbook staff for your countless hours of patience and dedication to produce this wonderful memoir of our 1995-96 school year. The completion of this book has been an opportunity for students to do something very special for others that will be appreciated for many years to come.*

*This has been an enjoyable and productive year both academically and in our extra curricular activities. Our many clubs, musical ensembles, teams and organizations have enjoyed success and growth while presenting some first-class performances for students and for our communities. It has also been a pleasure and a privilege for me to return this year to N.L.S.S. to work again with so many caring and dedicated staff members.*

*To all our students, I hope that the names and pictures arranged in this yearbook will always engender fond recollections of a great year.*

*A good education should leave much to be desired.*

*Alan Gregg*

# STUDENT ACTIVITIES COUNCIL MESSAGE

Wow, I don't think I've ever seen a school year fly by so fast. The 1995-96 school year has been amazing. SAC, as well as the other extra curricular groups in the school have put on some great events, but you can see all of those events by flipping through the pages of this book. After all, that's what you bought it for.

There are a few people I would like to thank: Mr. Shafer for his dedication to SAC, Mr. Purves and Mr. Hummel for being there when we needed them, the teaching staff for supporting the extra curricular events, all of the extra curricular groups for co-operating so well together, the custodial staff for their never-ending friendliness, and last but not least, my executive and council for the FANTASTIC job they have done all year with everything we have been involved with.

Before I finish writing this, sign my name, and you forget me for all eternity, I would like to leave you with one thought.

*Give of yourself, give as much as you can . . .*
*If everyone were to do this and not be as mean with*
*a kindly word, then there would be much more*
*justice and love in the world.*

*Anne Frank*

If our generation remembers always to keep this sort of spirit and attitude, we won't put ourselves in the situations that the generation running the world now is in.

*MESSAGE FROM THE EDITORS*

For some, this book closes the final chapter of your high school years, and for the rest of you, don't worry - THE END IS NEAR! Whether this is your first year, last year, or if you're somewhere in between, someday this book will detail the events of what you would otherwise only remember as merely a moment in your life.

Until you have experienced it, you don't know how much work goes into one of these books, so please appreciate it because we are all glad to have been able to produce it for you.

Many, many thanks are due to many people: to Mrs. Fenner (the Honourary Yearbook Member) for lending us a shoulder to cry on during moments of stress; to Mr. Richardson for handing over a room in his library to us (and for never complaining about how messy we kept it); to the office secretarial staff; Mrs. McGregor, Mrs. Piquette, Mrs. Strydonck and Mrs. Marcinov who gave us the names to the faces of almost everyone in this book; to the custodial and maintenance staff, especially Garnet Bell, for putting up with us around the school after hours; to Mrs. Lowe and her classes for their work at gathering advertising; and last but not least our staff advisors Mr. Jensen and Mrs. Leeson for their guidance throughout the year.

# AUREA VINCULA: "GOLDEN LINKS"

As we grow older, we all seek to remember those times when we were happiest and most carefree -- when every day was a gift, a new start which always brought with it something new, unforeseen, and even exciting!

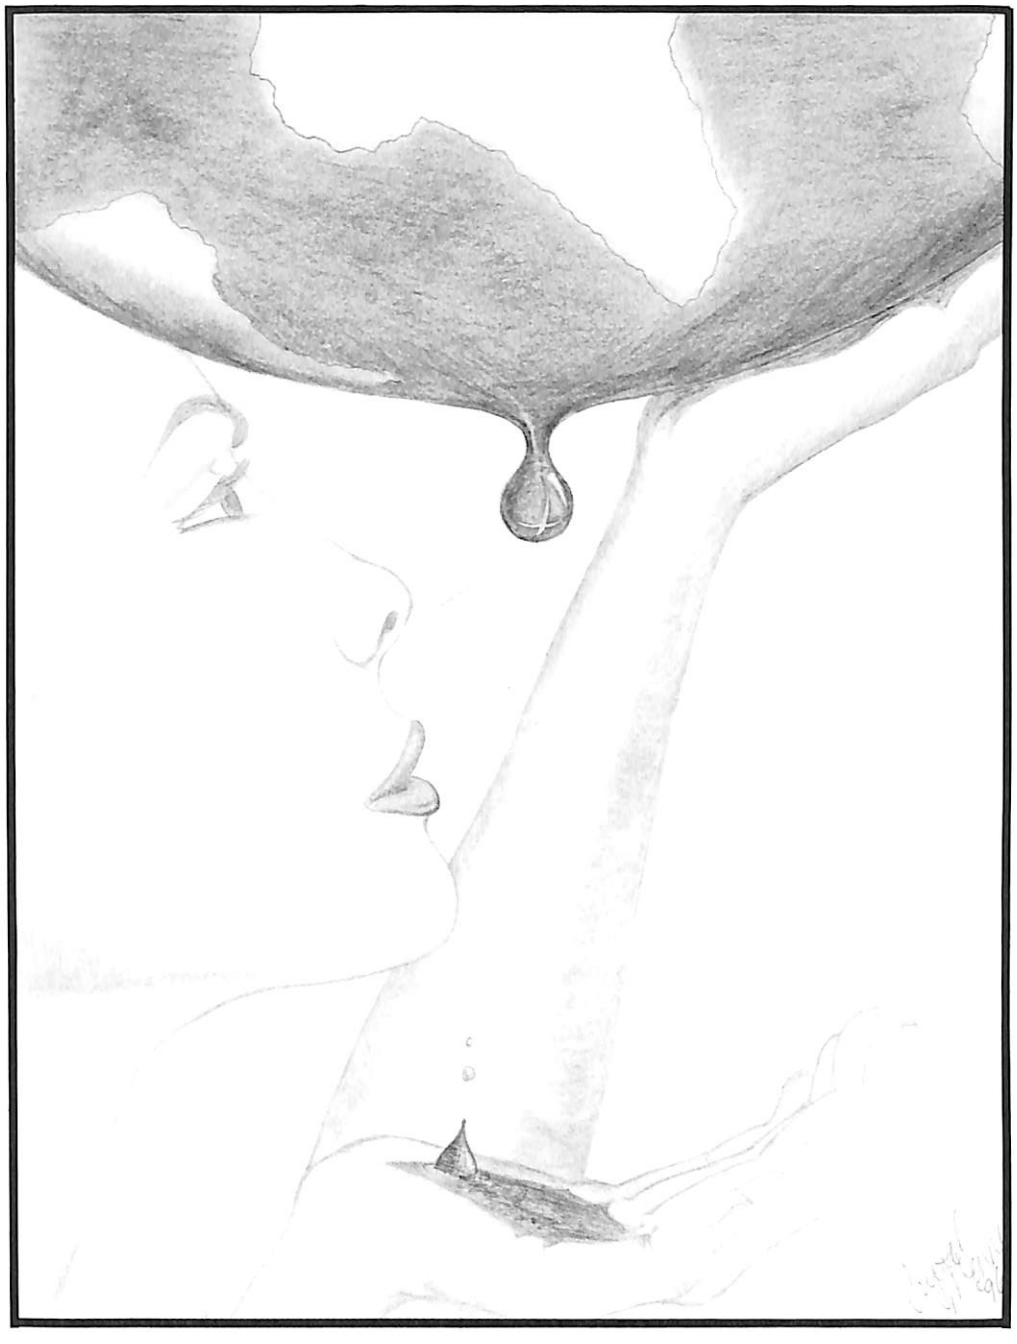

It could have been that first day in Grade 9 when, knees knocking and hands trembling, you got off the bus and trudged uneasily up to the front door of NLSS, all the while searching desperately for at least one familiar face in the jostling crowd. Or maybe it was that first championship team you were so proud to be on, especially when you covered yourself in glory as part of the best team in the county, or even in the province. Perhaps Prom Night was the one thing you vowed you'd never forget, when everything -- even you -- was somehow magically transformed into something wonderful and larger than life.

Memories are more than just important: they're a vital part of who we are as human beings. Every person you have met at NLSS -- every experience you have had, good and bad -- will somehow become a part of you. All of the many things you have been taught will become part of your background, and ultimately part of you. Every teacher you have had will somehow make a difference in your life.

A few years from now, you will look back at yourself and chuckle at the strange hair-do you were so proud of in 1995. You'll shake your head at the weird clothes you wore, and wonder why you ever thought you were so "cool." Your parents will look at these pictures and wonder where the time went -- or maybe they'll look at you as you were then and utter a silent prayer of thanksgiving that you finally did get over that "phase." Perhaps your own children will find your picture here, and marvel at the academic honours you won as you went off to college or university.

As time passes, you will look back on all of these people and these experiences with fondness and longing. We all do. It is because of this great need we have -- to remember the best of times -- that we present, inside these pages, your "golden links" to last year, 1995.

And so, when you are "old and gray and full of sleep" many years from now, take down this book, full of golden links, and remember how it used to be, way back in 1995.

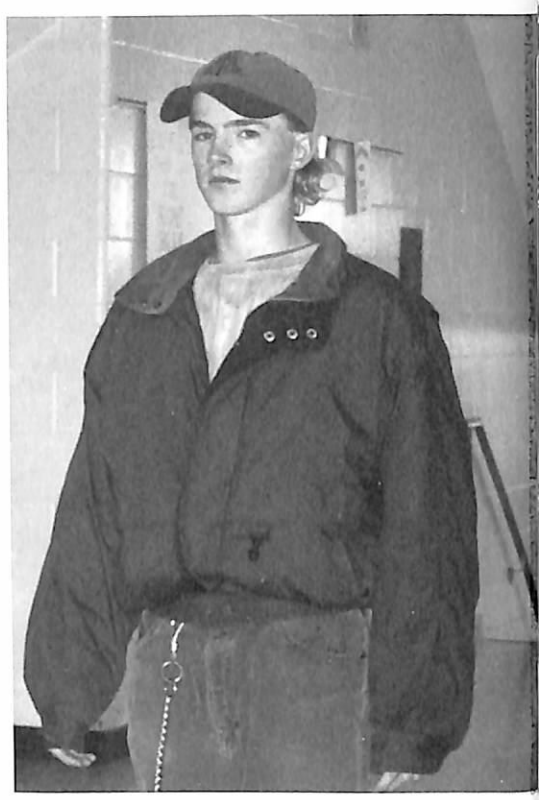

*"STUDENT OF LIFE"* by Crystal Mennen
Portrays each of us learning from our life experiences.

Sleep, close your eyes, I want to see a portrait of innocence
Now, dusty and bruised, only a waking fantasy will allow me to dream.
I've found a reflection of heaven sleeping on the bus beside me,
and all I can do is remain immobile as the environment hurtles towards the end.

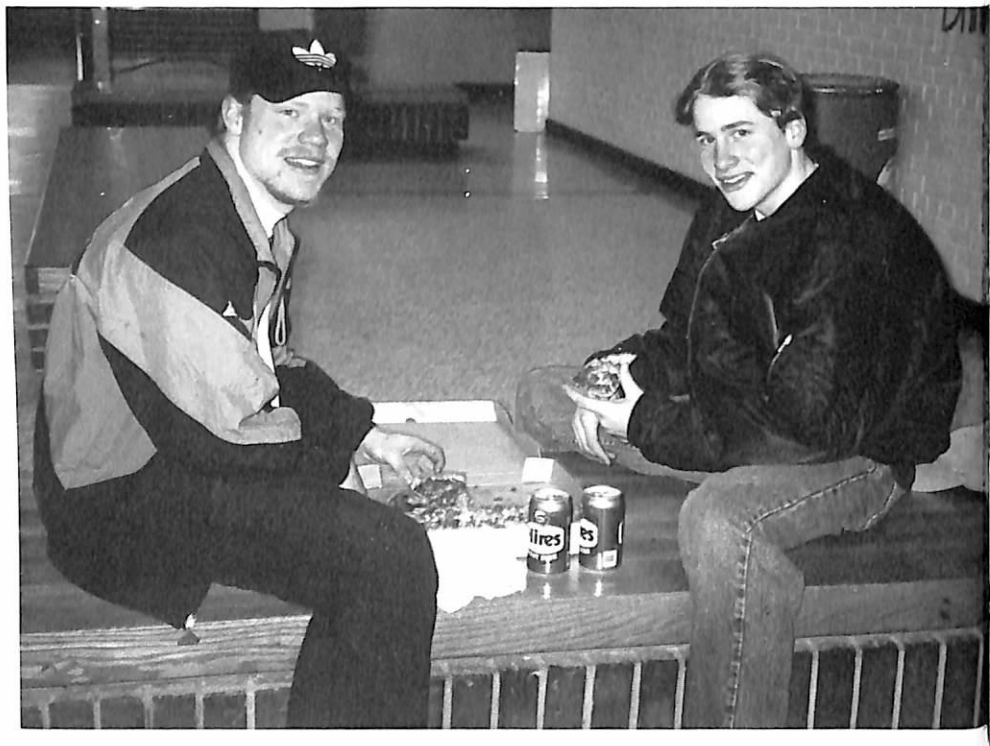

Sleep, so my beggar heart can steal a portrait of something I can never have,
Happiness encased in vinyl,
I hope your dreams are as sweet as your vulnerability is to me.
Why is something so still so beautiful.

# FROSH WEEK

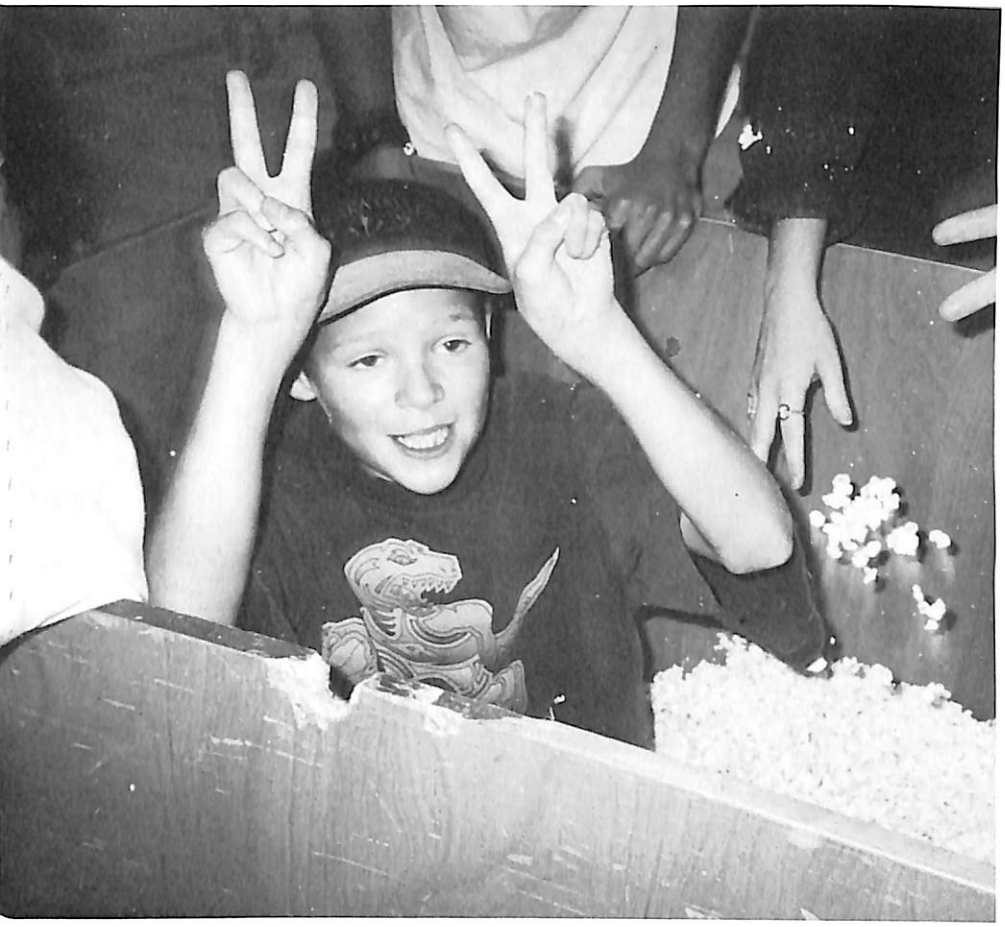

Frosh Week was a hilarious success this year. The minor niners were in competition for the most spirited cheer (led by their senior buddies), played Hose-ball, Clothes Line Frenzy and other wacky activities like Giant Twister. Of course, the grade nines got a chance to get back at the seniors who tried to ''initiate'' them by torturing their senior slave on Slave Day. During the Frosh Dance at noon, Ace Bryson and Janelle Boris were crowned Frosh Prince and Princess.

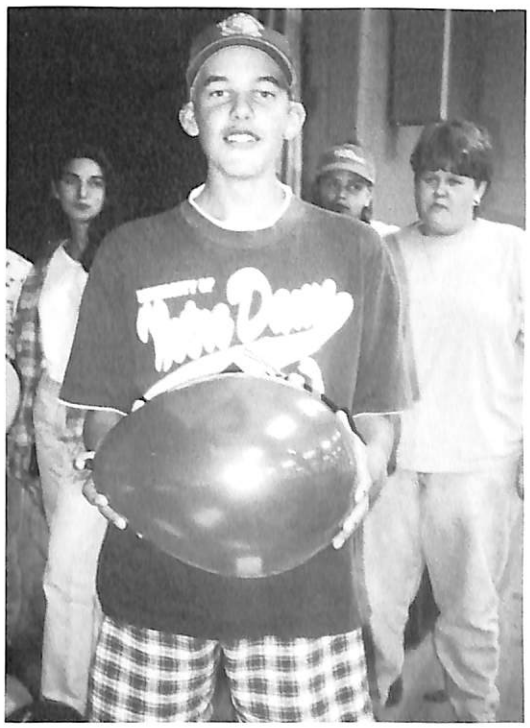

*L-R from Top Left Page:* Charles Romphf and the lucky girl who got to pass him the tennis ball with her chin, Julie-Ann Burr, Philip Arseneau, Josh Wilcox, Trent Stellingwerff, Jeremy Doornbosch and Shannon Wellington, Andrew Sharen and Ian George, Chris Murray, Greg Chapple, Janelle and Ace Bryson, Janelle Boris, two grade nines passing the tennis ball, Carol Huxley, Stephanie Breau.

# WINTER WEEK

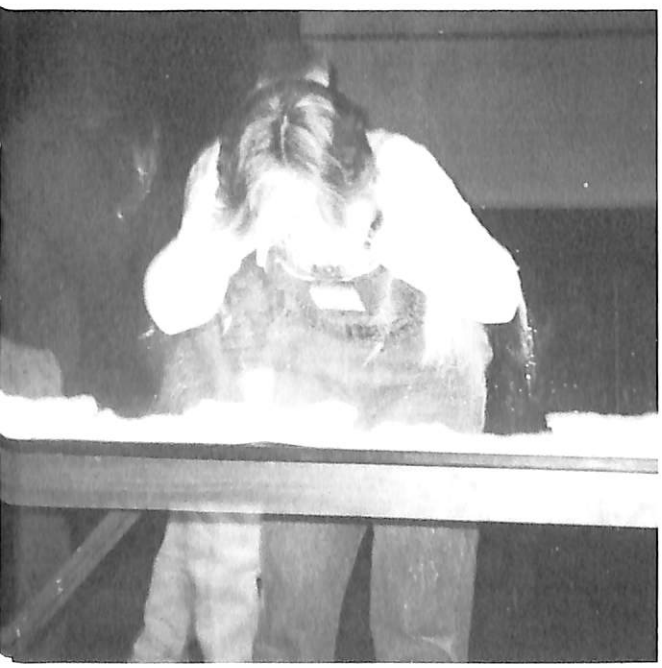

Throughout winter week, various activities were planned to get the students of NLSS into the Christmas Spirit. Mrs. Grimwood and her Foods and Nutrition classes celebrated "Christmas Around the World". A snow-pie eating contest satisfied the appetites of some, and everyone was given the chance to write on Santa's Wish List.

In the spirit of the Season, canned goods brought as part of the admission to the Semi-Formal Dance were given to Contact House. Turnout for the dance was greater than expected. After tough competition, Brian Johnson and Tracey Logan were crowned Snow King and Snow Queen.

# CAPS AND GOWNS CLASS OF '95

On November tenth 1995, the NLSS gymnasium (beautifully decorated by class of '96) was filled with eager graduates and their families. Tawnya Burley gave the valedictory address. As she took the class down memory lane she had the entire audience laughing. Even so, by the end of the night there were some teary eyes as the students said their final goodbyes and went their separate ways. In total 137 graduates left with their diploma; off to conquer the ''real world''.

# MARCH BREAK '96

Saturday, March 9th, seven eager students headed off for the most exciting trip any of us had ever taken. Over the next nine days we were treated to whirlwind tours of Ireland, Wales and England.

After spending twenty-six hours in and out of airports, we finally touched down in Shannon, Ireland and quickly hooked up with our EF tour guide, Sarah Wood. We were soon paired with predominantly female groups from Texas, Toronto and Quebec.

We spent three full days enjoying the quaint scenery of Killarney during the day and sampling Ireland's ''culture'' until the wee hours of the morning. Our stops in Ireland included the Ring of Karrey, Blarney Castle, and Dublin.

Next we boarded a ferry for a thankfully calm crossing of the Irish Sea to the mainland for our single night in beautiful Wales. This was the first and only night we were given a curfew.

Bright and early the next day we boarded our tour bus for the six hour drive to London, England. We toured the city; experienced the thrill of the famous London Taxis; and posed for photo sessions at Big Ben, the Tower of London, and Tower Bridge. On the last night we were treated to a five course medieval banquet featuring live entertainment and absolutely no silverware.

By the end of our trip, none of us wanted to leave, but with an average of only twenty two hours of sleep all week, none of us looked too hot.

Thanks to both Val and Peter for putting up with us; we know we were a handful!

*L to R*: Pat Schlegel, Vanessa Vandenburg, Brian Charron, Paul Pembleton and Mark Thompson posing for holiday memoirs. A beautiful picture of Tower Bridge in London. The whole group stopping for a snapshot at Ann Hathaway's cottage. A picture of Blarney Castle in Ireland.

# ACROSS LAKE ERIE TO CLEVELAND

On Thursday, May 9th, at 7:00 AM about eighty sleepy music students arrived in the school parking lot to travel to Cleveland, Ohio. After a thirty minute wait for our second bus, we headed out. When we arrived in Cleveland, we ate a hurried but delicious lunch at the Cleveland Powerhouse. Then the Jazz Band, the Ladies Concert Choir, the Vocal Connection, and the Senior Concert Band played a very short concert in a very cramped space (stairs, anyone?). It was fun, though; a different experience from what we've ever had before.

Later that night we drank some great Pepsi (Yummy!) and watched a wonderful performance of Fiddler on the Roof (Tradition!) at the Carousel Theatre in Akron.

The next morning we took an unexpected foot-tour of Cleveland, ''ooohed'' and ''aaahed'' at the sights in the Rock and Roll Hall of Fame (some of us prayed to the guitars), and then toured the Cleveland Zoo and Rain Forest with its lions, tigers, and bears.

It was a great trip! We saw lots of things, did lots of stuff, and better yet, we got out of school! Yahoo!

# MONSTER MASH

*Left to Right:* Tara Fraleigh, Stacey Boris, Mark Bedard, Julie Lester, Melissa Smith, Bev Jamieson, Zach McLeod and Stacey Boris.

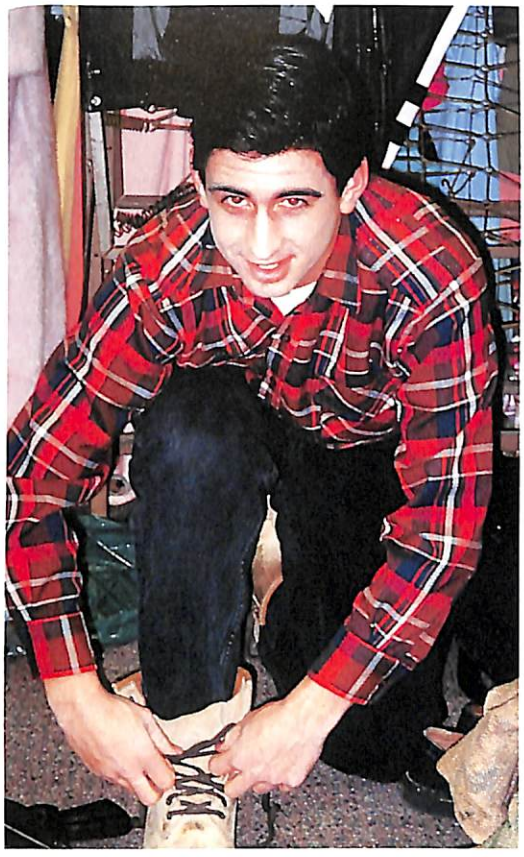

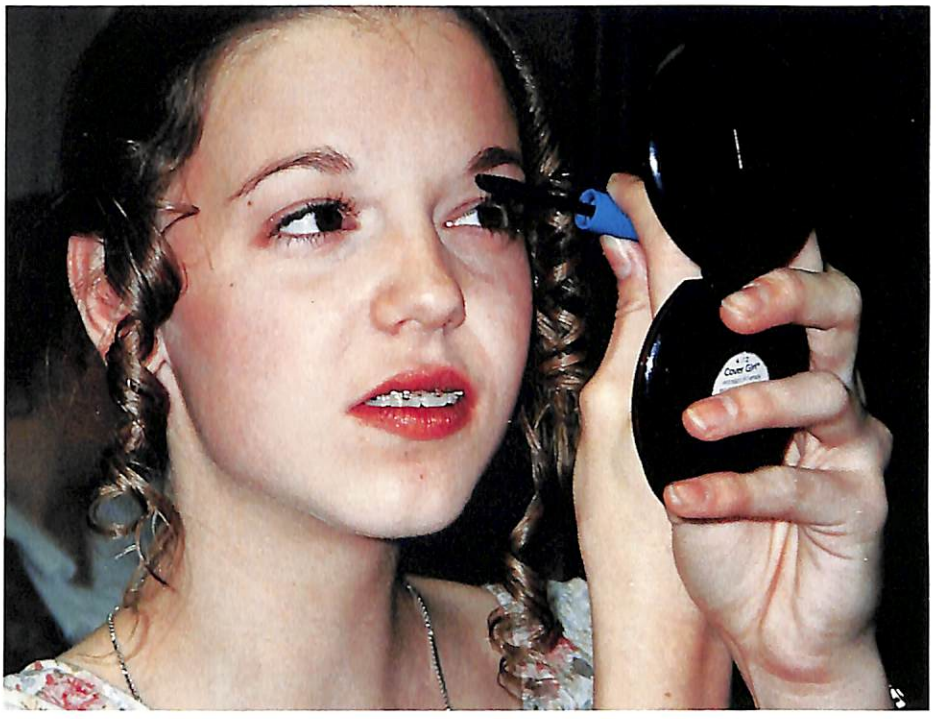

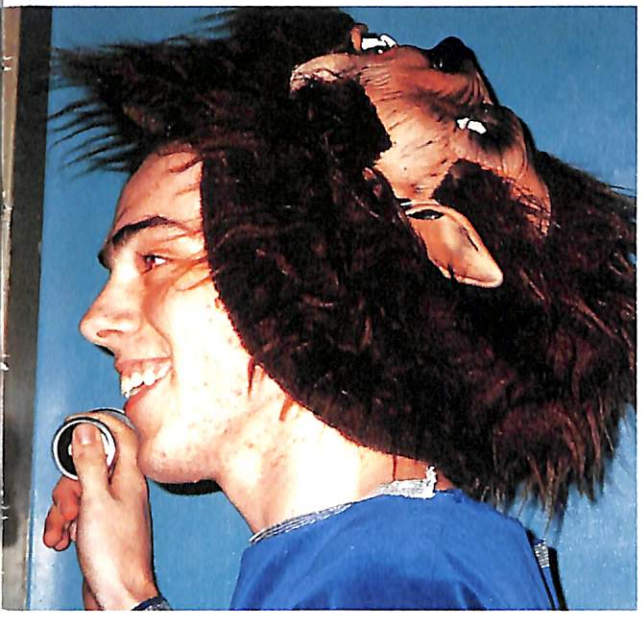

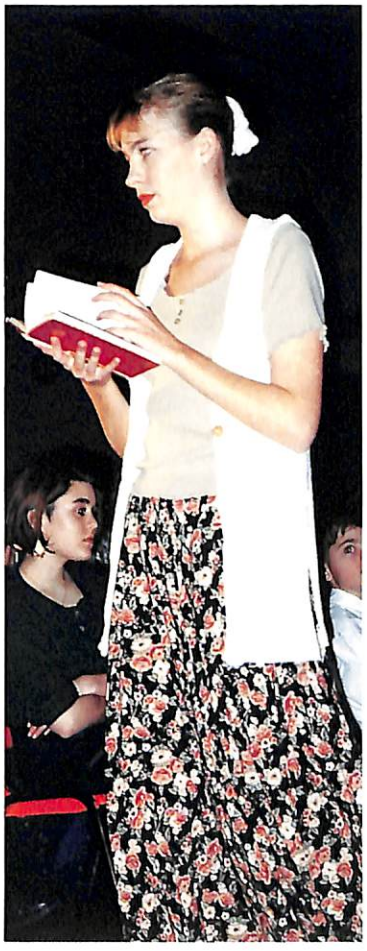

Halloween was a blast this year at the spooktacular Monster Mash Sock Hop. There were ghosts, goblins, witches, famous people impersonators, and even barnyard animals. Everyone who dressed up got to compete in the costume contest for some trick or treat candy. Bev "The Slaughter Pig" Jamieson won in the "most original" category. The "Best Personality Impersonator" prize went to Melissa Smith, as Charlie Chaplin. Zach McLeod was the prettiest princess at the ball and won the "Best Dressed Girl" prize. Stacey Boris stole the show as Jimmy Hendrix and was awarded the "most detailed" prize. Halloween was a screaming success.

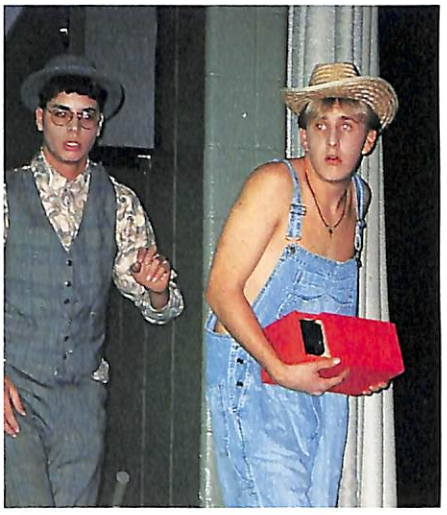

# DINNER THEATRE

*Top:* Andy Henry, Sarah Venhuizen *Middle:* Jesse Sebo, Adelle Knutt, Mike Heynsbergen and Erick Vriesinga *Bottom:* Sara-Jane Classen, Mindy Havens.

The dinner theatre was a touch of fantasy. It was a remake of **Beauty and the Beast.** There were only four weeks of in-class rehearsals and with the usual setbacks of drama we nevertheless managed to entertain a group of 165 people. There were many highlights of the evening. The howling of the wolves coupled with the mysterious air of the enchantress created an atmosphere of mystique. The lighting provided a dramatizing effect towards the theme of the evening. The narration allowed the audience to understand the story and the music provided just the right touch needed to enhance such a performance. Thanks are extended to everyone who contributed to make dinner theatre memorable.

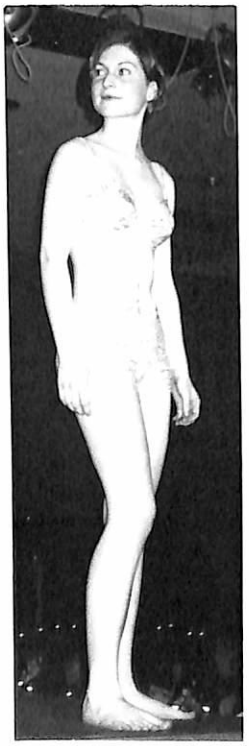

The NLSS Spring Fashion Show, ''Now and Forever'', turned out to be a beautiful production created by the Fashion Arts class, guided by Mrs. Sharon Murray and The Class of '96, with chairpersons Dawn Anderson and Jenn Taylor. This year the school teamed with the Forest BIA to incorporate Bridal Wear into our traditional Spring Fashion Show. From this union came a show filled with flirty trends and traditional elegance, perfect attributes to the theme ''Now and Forever''.

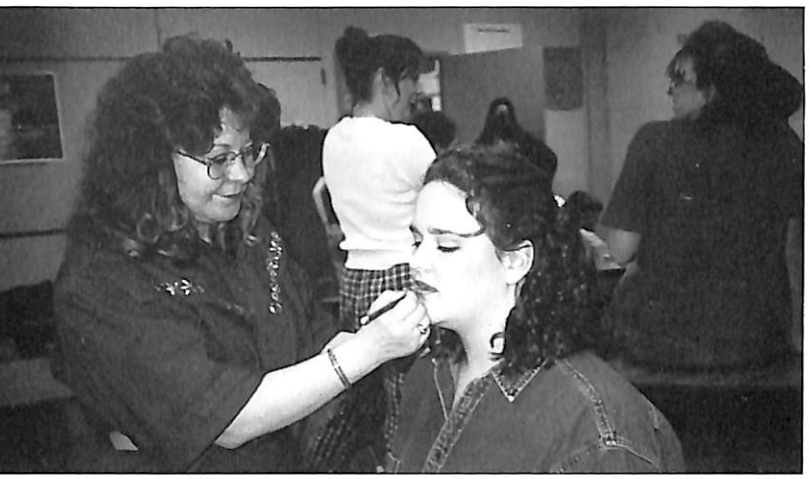

Two shows were held in the cafeteria this year, one afternoon show (not including Bridal Wear) in front of the school and an evening show. All participating town vendors were invited to join in a Merchant Expo held in our gymnasium before the show began, to promote the vendors' merchandise. The Merchant Expo was another new addition to our Fashion Show. All participating Forest vendors and Legends in the Eaton's Mall donated beautiful door prizes to the show. The Forest Florist dedicated many hours and flowers to the show that accented the ''Graffiti Daytime'' set and the ''Classic Nightime'' set. The models were members of the Fashion Arts class and the Class of '96. The ladies sported elegant hair styled by Michele Macko of Studio 45, Tracy McQueen of Hair Fantasies by Elaine and Bev Falconer from the Hairitage. The models' make-up was applied by Sharon Grahame and her assistants.

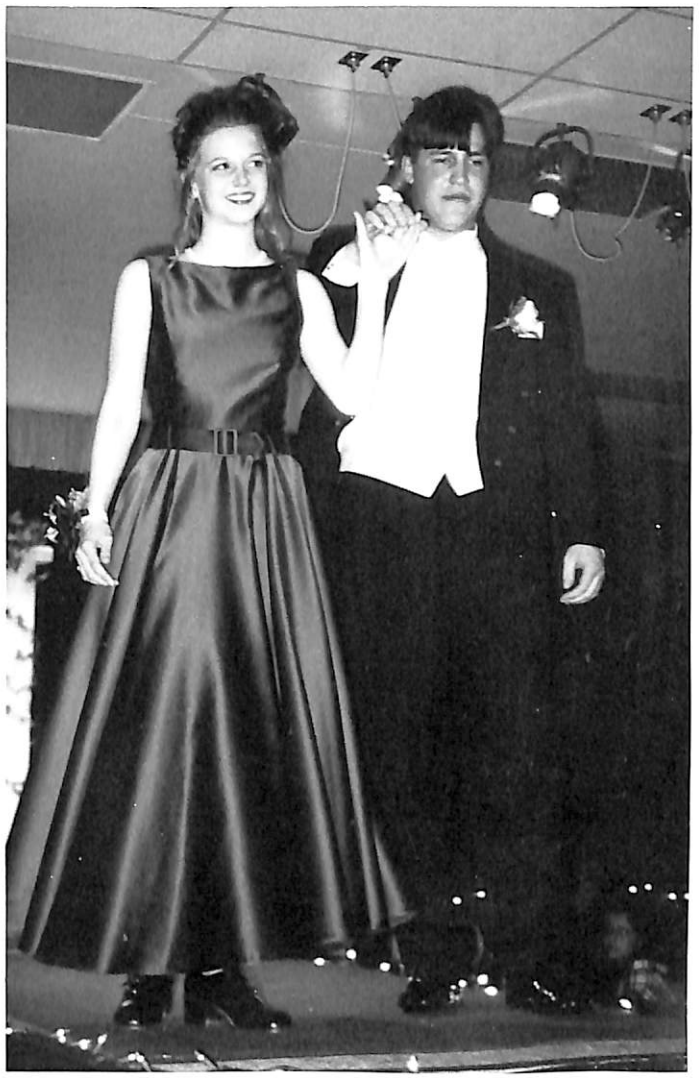

Many thanks are given out to the generous people who worked behind the scenes of the Fashion show to keep the stage in order, create music, sound and lighting and also to calm the models' nerves. This year's Spring Fashion Show was a tremendous team effort that resulted in a great success!

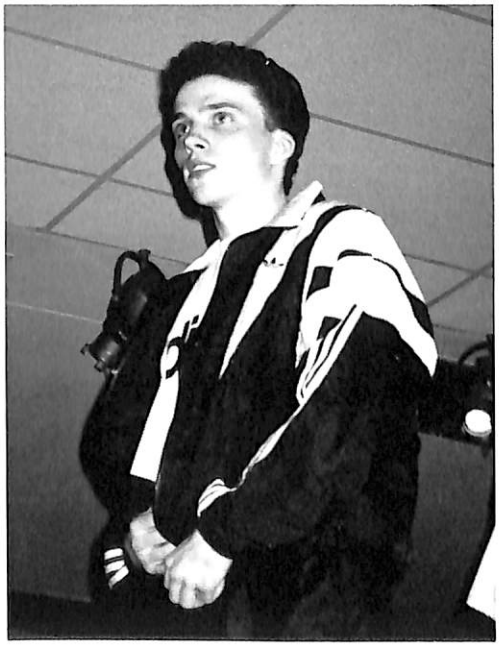

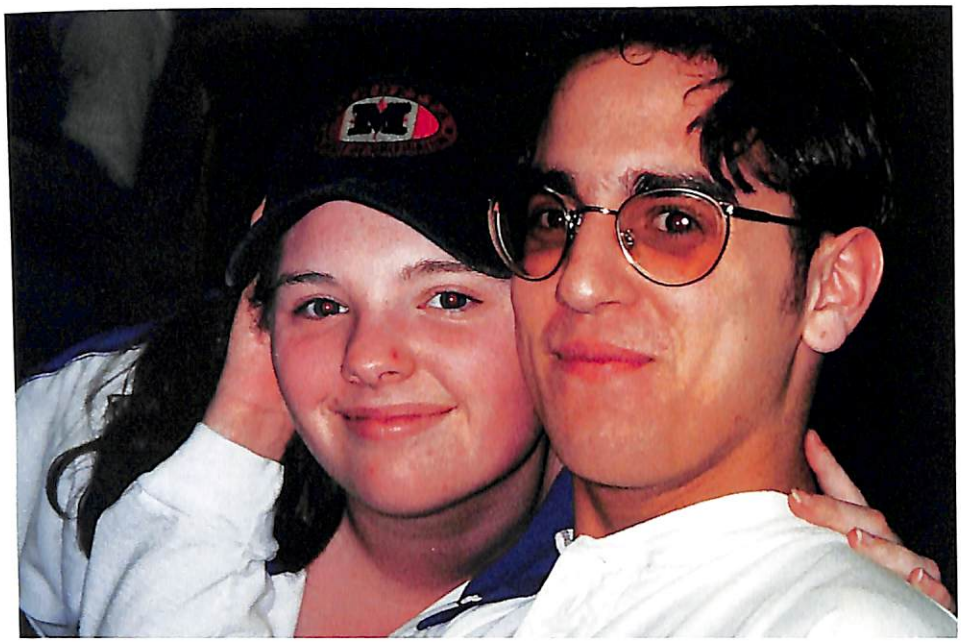

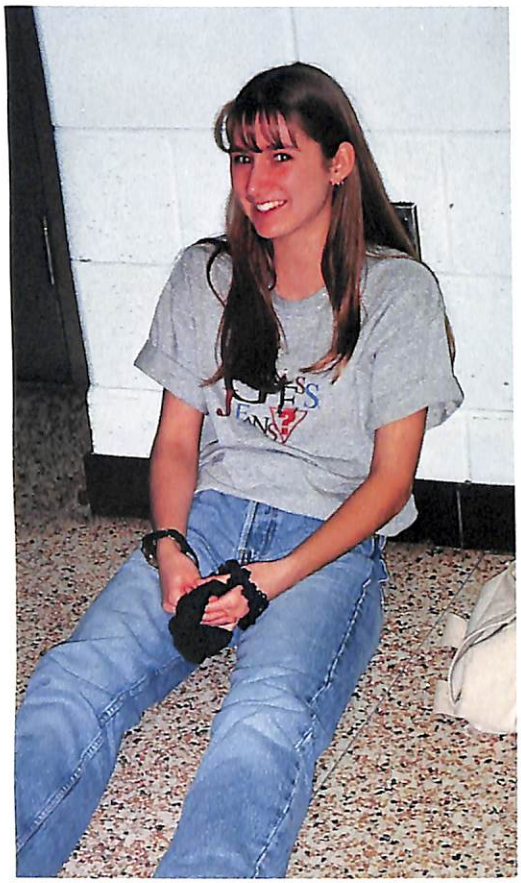

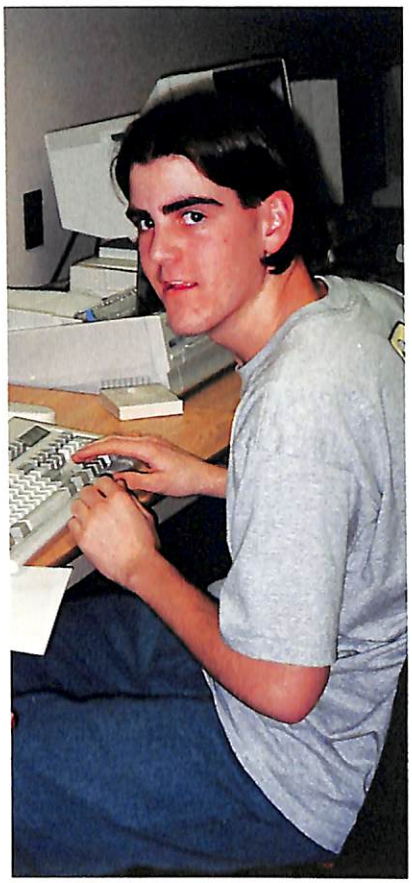

Many merchants from Forest and Sarnia presented their clothing in the show including Forest's own Petticoat Lane, John Robinson's Mens Wear, Forest Pro Sports, SAAN, and Kingdon's Tots and Teens. Sarnia's merchants included Lutonian Belle, Bud Gowen, Collegiate Sports, Pantorama, Levi's 1850, Legends, Suzy Shier, Le Chateau, Weekend Edition, Sidelines and Cotton Ginny.

# BROADWAY

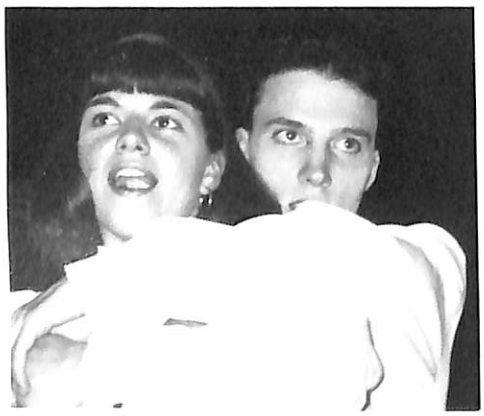

During the course of the 95-96 school year, the N.L.S.S. music department has been involved in a number of exciting events, but ''100 Years of Broadway'', organized and performed by vocal connection was by far the year's top musical moment. It was many long months of hard work, dedication and preparation, but during our one minute in the spotlight we shone brighter than we ever shone before.

# THE VARIETY SHOW

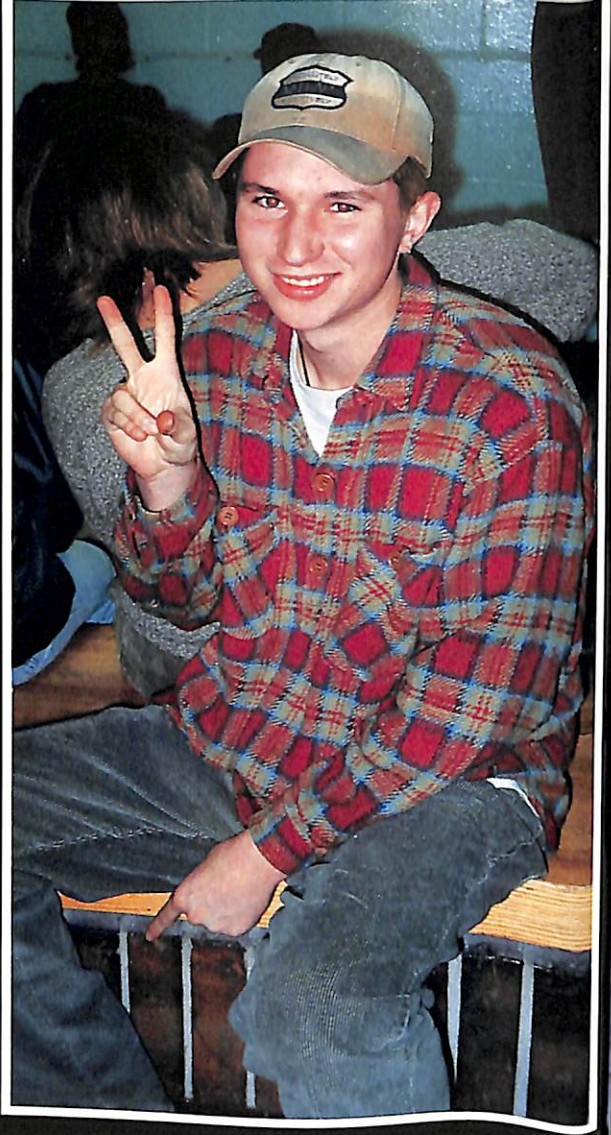

On Friday, April 4 class of '96 held their Variety Show Starsearch '96. 400 students attended to see acts such as dancers CLC, Mike Bressette's band, Fathom, & Gord Marsh bustin' a move line dancing. How could we forget Jill & Ang's awesome rendition of Alanis Morrissette's "Ironic". Thanks to everyone including my committee Lindsay, Jackie, and Tim for helping to make it a success. Congratulations to the winning Temptations: Tina, Selena, Ryann, Becca, & Melissa. I hope everyone enjoyed the show.

# WELLNESS DAY

Wellness Day was a huge success due to the hard work of Mrs. Johnson's grade 10 and 12 Fitness classes and Mrs. Murray's grade 9 Family Studies class. In effort to promote physical and mental wellness, the whole school took hold of their passports to collect stamps at the many displays. There was a Yoghurt Eating Contest, Nutrition Trivia, Homeroom Recipe Contest, Input/Output Activity, The Puff Test, Wheeling Safety, AIDS Awareness, The Interactive Activity, Eating Disorders Awareness, The Stress Test and Fun Exercises for all to enjoy.

# WILL YOU BE MY VALENTINE?

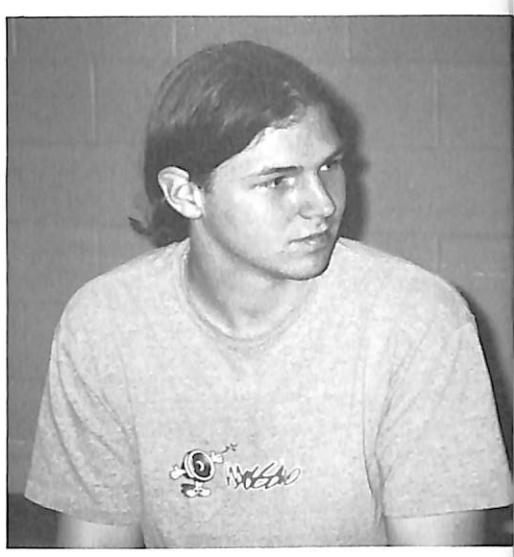

Valentine's Day was full of exciting events at North Lambton this year. A bake sale was put together by Mrs. Murray's fashion arts class. Shirley Hodgens was the winner of the draw for a cake. Lucky students received roses from their sweethearts who purchased the flowers from S.A.C. They were delivered in homeroom. The biggest hit of the day was the Cupids Auction during which brave males donated themselves for charity. The ladies at NLSS bid on these daring souls and whoever bid the highest was escorted to the Valentine's Noon Dance by her newly purchased date. Miss Sipple bid the highest amount in the auction for Rob Henderson. Why was that Rob?

All the proceeds from the auction went to the school's chosen charity, The United Way.

# NORTH LAMBTON CO-OP

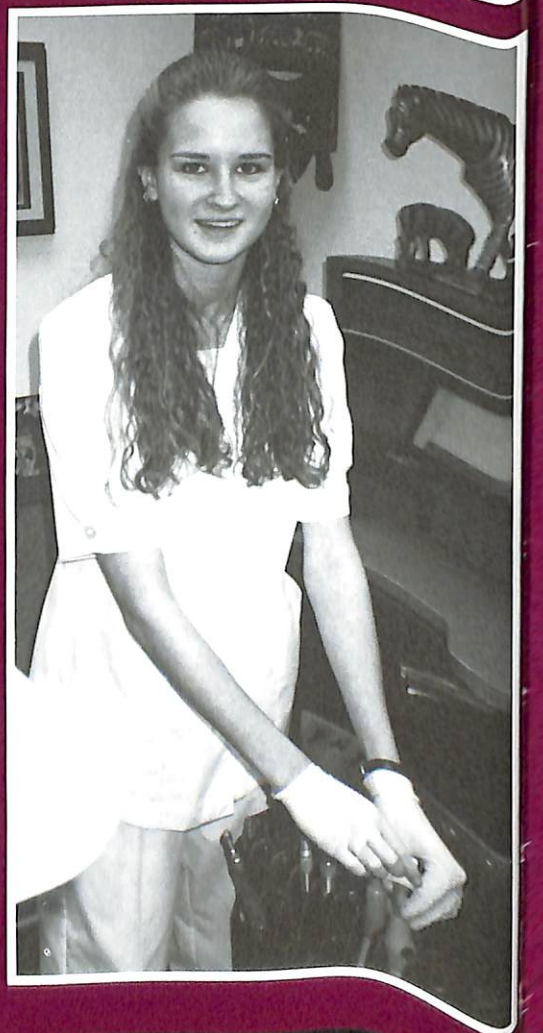

Thanks to the goodwill of the employers of Forest and surrounding areas, opportunities abound for our students to gain first-hand experience in the workplace. The selection of a co-op placement does not have to mesh perfectly with your future career plans because the experience gained in any placement is invaluable and will position you better for a future job. Be flexible! In this world of fewer job prospects, your co-op placement may be your first opportunity to gain work experience and the confidence and poise that comes with it. If you are prepared to drive, there are possibilities for placement throughout the county. Think about it. YOU could be in these pictures!

# LAMBTON ELDERLY OUTREACH

During the first semester, the Co-op students of North Lambton were asked to donate their time to help do odd chores for elderly people in the community. These chores included raking leaves, cleaning eaves troughs and other outside activities the seniors could not do themselves. All the equipment such as goggles, gloves and coveralls were provided to the students by Dupont, our PAIRS partner. It turned out to be a great day, enjoyed by all those who participated.

# The Essentials

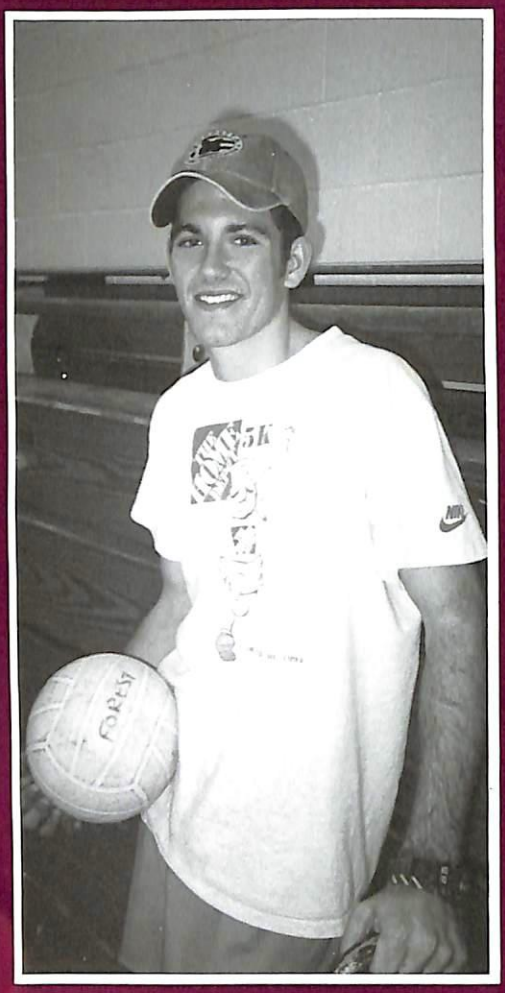

On March 6 during period C North Lambton was treated to a performance by The Essentials. The student body was excited because Dan Speck, a former student here at North Lambton, was among the group. The other group members consisted of Rob Sylvester, Bob Van Gieson, Joon Nah and Joe Oliva. These guys drove the girls crazy with their good looks and talent. Laura Schoonjans can be considered the luckiest of us all. Out of everyone present she was picked to be serenaded to, in view of the whole school. Another lucky girl was Ryann Wellington whose birthday happened to fall on the day after the visit. She was pulled to the front to have "18 Candles" sung to her. It was a great afternoon full of great songs and we hope to see them back again next year.

On the eighth day of June 1996, ***John William (Jack) Aulis*** lost his fight for life to cancer. Many students of North Lambton have had the opportunity to be in his Driver's Ed. class and shared in the laughter and fear of the adventures of our first driving experiences. Jack will be sadly missed and always remembered.

These hearts were woven of the human joys and cares,
Washed marvellously with sorrow, swift to mirth.
The years had given them kindness. Dawn was theirs,
And sunset, and the colours of the earth.
These had seen movement, and heard music; known
Slumber and waking; loved; gone proudly friended;
Felt the quick stir of wonder; sat alone;
Touched flowers and furs and cheeks. All this is ended.

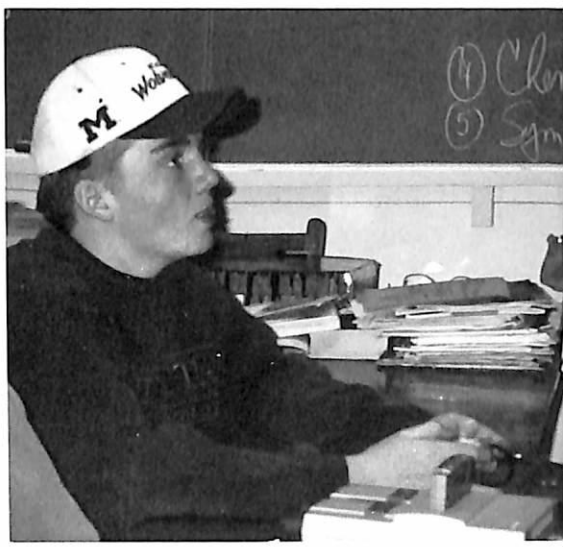

On the twenty-second day of May 1996, ***Edward S. Murray,*** beloved husband of our physical education teacher, Mrs. B. Murray died suddenly due to a fatal heart attack. Our thoughts and prayers will always be with Mrs. Murray and her family.

# SPRING FEVER!

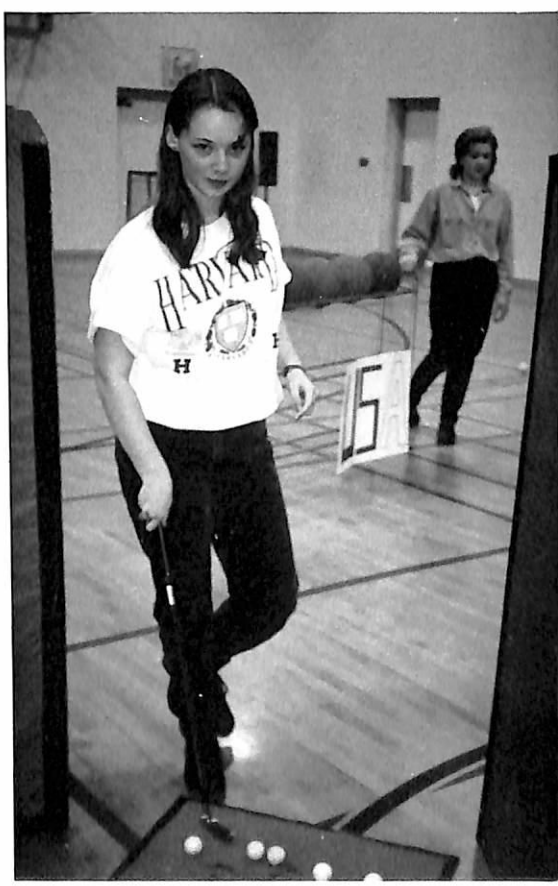

Even though Spring Fever week was dampened by the worst storm of winter, the students of N.L.S.S. still managed to enjoy the wonderful activities that S.A.C. put together with the help of other clubs around the school. "Speakers Corner" allowed the students to voice their opinions on anything and everything. The Yearbook club took charge of this event. The Video Game Challenge allowed the students to show off their skills at conquering games. Mr. and Mrs. Universe was organized by A.A. The students competing had to go through a maze set up in the gym and use their skills in basketball, baseball, football, hockey and golf. The winners were judged on the time it took them to complete the course. The recipients of the titles were Brian Johnson and Wendy Richards. O.S.A.I.D. brought in the Super Dave Osborne Seat Belt Convincer and gave the students a reality check and at the end of the week there was a charity barbecue with the proceeds going to the United Way. The Student Council ended Spring Fever with a bang by bringing in a Sights and Sounds Dance to the school on Friday night.

# FIRST ANNUAL NLSS TRIATHLON

On May 21st, the fitness classes competed in the first Annual NLSS Triathlon. The event consisted of four member teams with each team member competing in two of three events. All team members canoed five km, then two biked twelve km followed by two runners racing for five km. The top three finishers were just 33 seconds apart, and the top ten finished within twelve minutes of first place. The 11th team also had fun, but were more than an hour behind! The perfect weather conditions, the enthusiasm of the competitors and the help of many parent volunteers contributed to the great success of this event!

North Lambton Eagles

NLSS has finally entered cyberspace with construction by the 1996 OAC computer class of our own Web Page. It can be found at **http://www.xcelco.on.ca/~nlss.** Our school now has three computers with access to the internet but soon each classroom will be connected. Students will be able to surf to their hearts content, although access to the more unsavoury parts of cyberspace will be restricted by Cyberpatrol.

The internet gives access to a vast amount of information on any topic. It is immensely helpful in assisting students in the pursuit of research data which, if found in books, is usually out of date. Parents, as well as students, find the net a valuable learning tool.

There is no 1996-97 OAC computers class, so we need volunteers to keep our Web Page up-to-date and Number One in the county. Our page was the model for the pages of larger schools like St. Pats, St. Clair and Northern. Let's work together to keep the long tradition of Eagles Excellence alive.

# OJIBWE PRESENTATIONS TO NATIVE ELDERS

Aanii! Hello! Aaniish naa? How are you? Niinwin mna-bmaadzimin, mnanaa-naagdowendaamin, mna-yaa ge jichaag. For us, we have a good life, good thoughts and our spirits are well. Ninwendaamin wii-mna-yaayeg-epiichi niibing. We want you all to be well (in all things) while summer is here , and at all times in your life. In our Ojibwe class we learned of the true value of being successful in life - Bmaadziwin. The in-depth meaning of words is awesome, wholesome and worth learning. The culture was presented in a story form as Mrs. Henry taught us words to Bmaadziwin-life, Wiiya-body, Enamjiiwin-emotions, feelings and our Jichaag-spirit. The wheels in our Bmaadziwin never stop as Zaagiiwewin - love, Mnaadendmowin - respect, Debwewin -truth, and Gwekaadziwin - honesty flow from our lives. We all enjoyed each other and the words Mewiidsemshin - walk with me, and Aasgaabwetooshin - stand by me became alive for us. We have loved being part of this Kinoomaagegamic - learning place, this year.

# "RUMOURS" - SPRING SHOW

*L-R:* Lindsay "Have you been drinking?!" Recker, Lisa "Seriously guys, we have to practise!" MacPherson, Randi "One week? . . . No problem." Rawlings, Chris "I don't want to say dumb *#*@" Sageman and Janet "Can we do my scene now?" Maybury.

Well . . . it was interesting,
But one heck of a show!
How well it would turn out,
No one could ever know.
The phone wouldn't ring
(Except for prank calls)
. . . Who's line did we miss?
Of course it was Paul's.
Through all that went wrong,
We continued to smile.
Our trials made us strong,
And that made it worth while.
So, to those who stood by us,
From beginning to end
For money or support,
or to just be a friend . . .
We thank you!

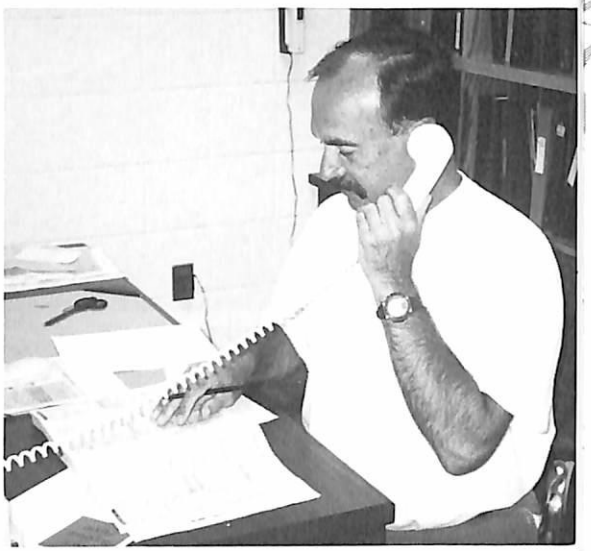

*L-R:* Paul "Squawk . . . 10-4, Pudney - Over" Pembleton, J.J. "Help . . . I'm stuck in a window!" O'Donnell, Shawn "No, I'm not wearing lipstick!" Lester, Adrian "Well . . . I think it's time for a little break." Tost and Liam "Why can't I say the F-word?" Karry.

# OUR STAFF ISN'T CAMERA SHY!

*Clockwise from Left to Center*: We thought you'd like to see it to believe it! Mr. Sands and Mr. Hirtle. Mr. Sands looks particularly stunning sporting his dish towel on his head. A salute from Mr. Richardson who has Mr. McAnulty trapped in his office. A sneak peek at our new Vice Principal, Mr. Hart. Mrs. Piquette and Mrs. Marcinov trying to look like they don't know we're taking their picture. Garnet scooping up everyone's love notes. (He knows more than you would like him to!) Here's a shot to look up Mr. Moergeli's nose. Mrs. Morrison and Mr. Rog peeking at us from their usual hang-out in the smoking area. Miss Sippel on patrol at the prom.
